

## NOTE TO INTERNATIONAL STUDENTS

International students applying from outside Canada must meet the following requirements:

- Complete **interview** between parents and/or guardian and principal.
- If, at the end of the interview, the principal accepts the student, a **bank draft or certified cheque for the full international tuition fee, payable to PCA**, must be submitted before the school office can issue a letter for the student to use in obtaining his/her student visa.
- A copy of the health insurance details must be submitted with the tuition payment.

Notify the school office of any address change:

- International students **SHOULD NOT** change their residence during the school year; however, if unforeseen circumstances necessitate a student to change residence while attending PCA, they **MUST** notify the school office immediately so as to avoid a breach of agreement which may result in expulsion from school and the notifying of immigration authorities.

The above requirements **MUST BE MET** or Peoples Christian Academy **will not accept international student applications.**
