Dear Prospective Student Family:

Thank you for your interest in Peoples Christian Academy (PCA). We offer a Christ-centred academic program from Grades JK to 12, (the high school is inspected by the Ontario Ministry of Education and Training). The program, particularly in Grades 7-12, is university-preparatory in nature.

We enrich our students' development further with Bible instruction and with co-curricular activities which enable them to mature spiritually, socially and physically.

In addition, by teaching students to respect God, themselves and others, and by building partnerships with our students' families, we create a caring, safe, learning environment.

Students also benefit from the diversity of ethnic groups and church backgrounds represented by students and staff.

To help you make your decision, we have included our:

1. Application Procedure
2. Application Form (with Family School Covenant and School Confidential Report)
3. Statement of Faith
4. Schedule of Fees

Admission process

Each student is assessed on previous academic record, a family commitment to support the educational philosophy of PCA and a personal interview.

Additional information on our school is available on our website at www.pca.ca.

If you have any other questions or would like a tour, please contact the school office at 416-733-2010.

Sincerely,

PCA School Administration
