

# PCA COVID-19 PROTOCOL

If you or anyone in your household is experiencing symptoms, has had close contact with a positive case or travelled outside of Canada please notify PHCO by emailing [phco@pca.ca](mailto:phco@pca.ca).

**Close Contact:** within 2 metres distance for greater than 10 minutes with or without a mask, gloves and/or eye protection

**Improved Symptoms:** may have mild symptoms that persist, but no fever and no new or worsening symptoms

**Fully Vaccinated:** 14 days or more after an individual has received their second dose of two-dose COVID-19 vaccine series or their first dose of a one-dose COVID-19 vaccine series that is listed for emergency use by the World Health Organization or approved by Health Canada

**Not Fully Vaccinated:** Individuals who has not received both doses of a two-dose COVID-19 vaccine series that is listed for emergency use by the World Health Organization or approved by Health Canada; OR an individual who has received their full COVID-19 vaccine series but less than 14 days has passed since the date of last vaccination

**Previously Positive:** individuals who was a confirmed case of COVID-19 in the last 90 days and has since been cleared by Public Health
